## HOSPITALITY WET & DRY STOCKTAKING

### COUNT ON US FOR OPTIMISED INVENTORY

Accurate stock levels ensure that you can plan with confidence, maximise profits and provide a greater customer experience...

RAS Stocktaking Solutions bring extensive experience and specialist knowledge gained from 60 years of inventory management experience.

Shrinkage can be fatally damaging to a food and beverage business, from wastage to theft, over pouring, under ringing, spillage and mistaken orders. Our industry leading service uncovers shrinkage so you are better equipped to minimise and stop it from occurring.

Our industry-leading service identifies areas prone to shrinkage so you can minimise wastage. Choosing our hospitality stocktaking service gives you access to a range of key performance indicators.

Detailed stock reports designed for your business will analyse your stock holdings, and we will also provide site-by-site and multi-site reporting functions and performance rankings.
